Pompano Beach, FL 33064

CAREER OBJECTIVE

Adaptable professional with 3+ years of experience and a proven knowledge of programming, application development, and website architecture. Aiming to leverage my skills to successfully fill the front-end developer role at your company.

EXPERIENCE

SOFTWARE DEVELOPER, 33064, FL

Freelance Software Developer, June 2021–Present

- Evaluate code to ensure that it is valid, is properly structured, meets industry standards and is compatible with browsers, devices, or operating systems.
- Maintain understanding of current web technologies or programming practices through continuing education, reading, or participation in professional conferences, workshops, or groups.
- Develop databases that support web applications and web sites.
- Select programming languages, design tools, or applications.
- Develop and document style guidelines for web site content.

INSURANCE SALES, Plantation, FL

GEICO, January 2018–June 2021

- Sell various types of insurance policies to businesses and individuals on behalf of insurance companies, including automobile, fire, life, property, medical and dental insurance or specialized policies such as marine, farm/crop, and medical malpractice.
- Seek out new clients and develop clientele by networking to find new customers and generate lists of prospective clients.
- Explain features, advantages and disadvantages of various policies to promote sale of insurance plans.
- Calculate premiums and establish payment method.

DEVELOPER, Wisconsin

PAWCAST, August 2020–May 2021

- Implement a design pattern for the app development cycle
- Design and code the user interface
- Create an in-app messaging feature
- Have weekly meetings with the client for project updates
- Investigate bugs and blockers
- Publish app to app store

JUNIOR REACT DEVELOPER, Indianapolis, IN

INTERNX, October 2019–March 2020

- Participate in morning stand-ups
- Create sprints for the coming week(s)
- Investigate blockers throughout the development process
- Refactor inefficient code
- Code custom UI components while referring to design concepts
- Push new code to Github and perform pull requests

HOST, Indianapolis, IN

Olive Garden, July 2016–January 2018

- Greet guests and seat them at tables or in waiting areas.
- Provide guests with menus.
- Answer telephone calls and respond to inquiries or transfer calls.
- Inspect restrooms for cleanliness and availability of supplies and clean restrooms when necessary.
- Maintain contact with kitchen staff, management, serving staff, and customers to ensure that dining details are handled properly and customers' concerns are addressed.
- Plan parties or other special events and services.

PRODUCTION ASSISTANT, Indianapolis, IN

Fox Sports Indiana, April 2013–July 2016

- Prepared clips and other elements from interviews for use online and on social media.
- Used cameras in any of several different camera mounts, such as stationary, track-mounted, or crane-mounted.
- Set up and performed live shots for broadcast.
- Composed and framed each shot, applying technical aspects of light, lenses, film, filters and camera settings to achieve effects sought by directors.
- Edited films and videotapes to insert music, dialogue and sound effects, arrange films into sequences and correct errors, using editing equipment.
